### Universal Columnist to Discuss Food on TV Show

By E&P Staff

Published: September 13, 2007 10:15 AM ET

**NEW YORK** "Supermarket Sampler" co-columnist Bonnie Tandy Leblang of Universal Press Syndicate will appear this Monday on the "Good Day Atlanta" TV show.

Leblang and show host Jan Hickel will show and sample foods, such as organic peanut butter, that are Leblang's favorites.

A health-conscious nutritionist, Leblang co-authors "Supermarket Sampler" with Carol Wyman, a self-described lover of junk food.

Leblang recently began the BiteoftheBest.com site. Her son, Bryan, will also appear on "Good Day Atlanta" to discuss his contributions to that site from a young bachelor's point of view.
